

CLEARINGHOUSE REVIEW COMMITTEE

April 28, 2008
9:30 a.m.

The Committee, in accordance with its adopted rules of procedure, may take action only on matters on the printed agenda. It may exercise agency discretion and policy-making upon a finding by the Committee of an emergency situation affecting the public's health, safety, and welfare.

Committee meetings are public meetings within the context of Section 286.011, Florida Statutes (F.S.). Committee meetings are not public hearings within the context of Section 120.54, F.S. The Chairman has full discretion as to whether or not to recognize speakers other than Committee members or staff, and is not required to recognize individuals to speak on issues before the Committee. Public hearings on issues before the Committee are conducted by individual local governments and are the proper forum for public comment.

Please note that if a person decides to appeal any decision made by the Committee with respect to any matter considered at this meeting, that person must ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

Agenda Item #1 Minutes

Additional Material: Minutes of March 26, 2007 ([report attached](#))
Action Recommended: Motion to approve.

Agenda Item #2 Developments of Regional Impact

Through the adoption of Section 380.06, F.S. by the legislature in 1974, the Development of Regional Impact process was established as a means of evaluating and mitigating large-scale developments. There are approximately 200 DRIs in the Tampa Bay Region. Council staff will provide a brief summary of the DRI program and highlight the various steps and processes.

Additional Material: DRI Flow Chart
Action Recommended: None. Information Only.
Staff Contact: John Meyer, ext. 29

Agenda Item #3 Local Emergency Planning Committee

Since 1988 the Council has had the responsibility for supervising regional implementation of the Emergency Planning and Community Right-to-Know Act which deals with the registration of all hazardous materials (hazmat) exceeding certain designated thresholds. This is accomplished by the Tampa Bay Local Emergency Planning Committee which is also responsible for planning, training, and exercises to preclude release or spill of hazmat in the Tampa Bay Region.

Staff Contact: Erika Wiker, ext. 21

Agenda Item #5 Statewide Regional Evacuation Study

Since 2007 TBRPC has been participating in the Statewide Regional Evacuation Study (SRES), an update of all 11 regional evacuation studies in the State. The purpose of this effort is to provide a state-of-the-art consistent and coordinated approach to evacuation. Staff will provide a status report of this effort and its potential impact on emergency management and growth management initiatives.

Additional Material: None
Action Recommended: None. Information Only.
Staff Contact: Betti Johnson, ext. 39

Agenda Item #6 ARS - Audience Response System

The Council has a leading edge technology system for acquiring interactive audience response at public meetings. The Audience Response System consists of small handheld devices that allow audience members to answer questions and instantly see the results. Staff will briefly demonstrate the system and describe some of the projects on which it has been used.

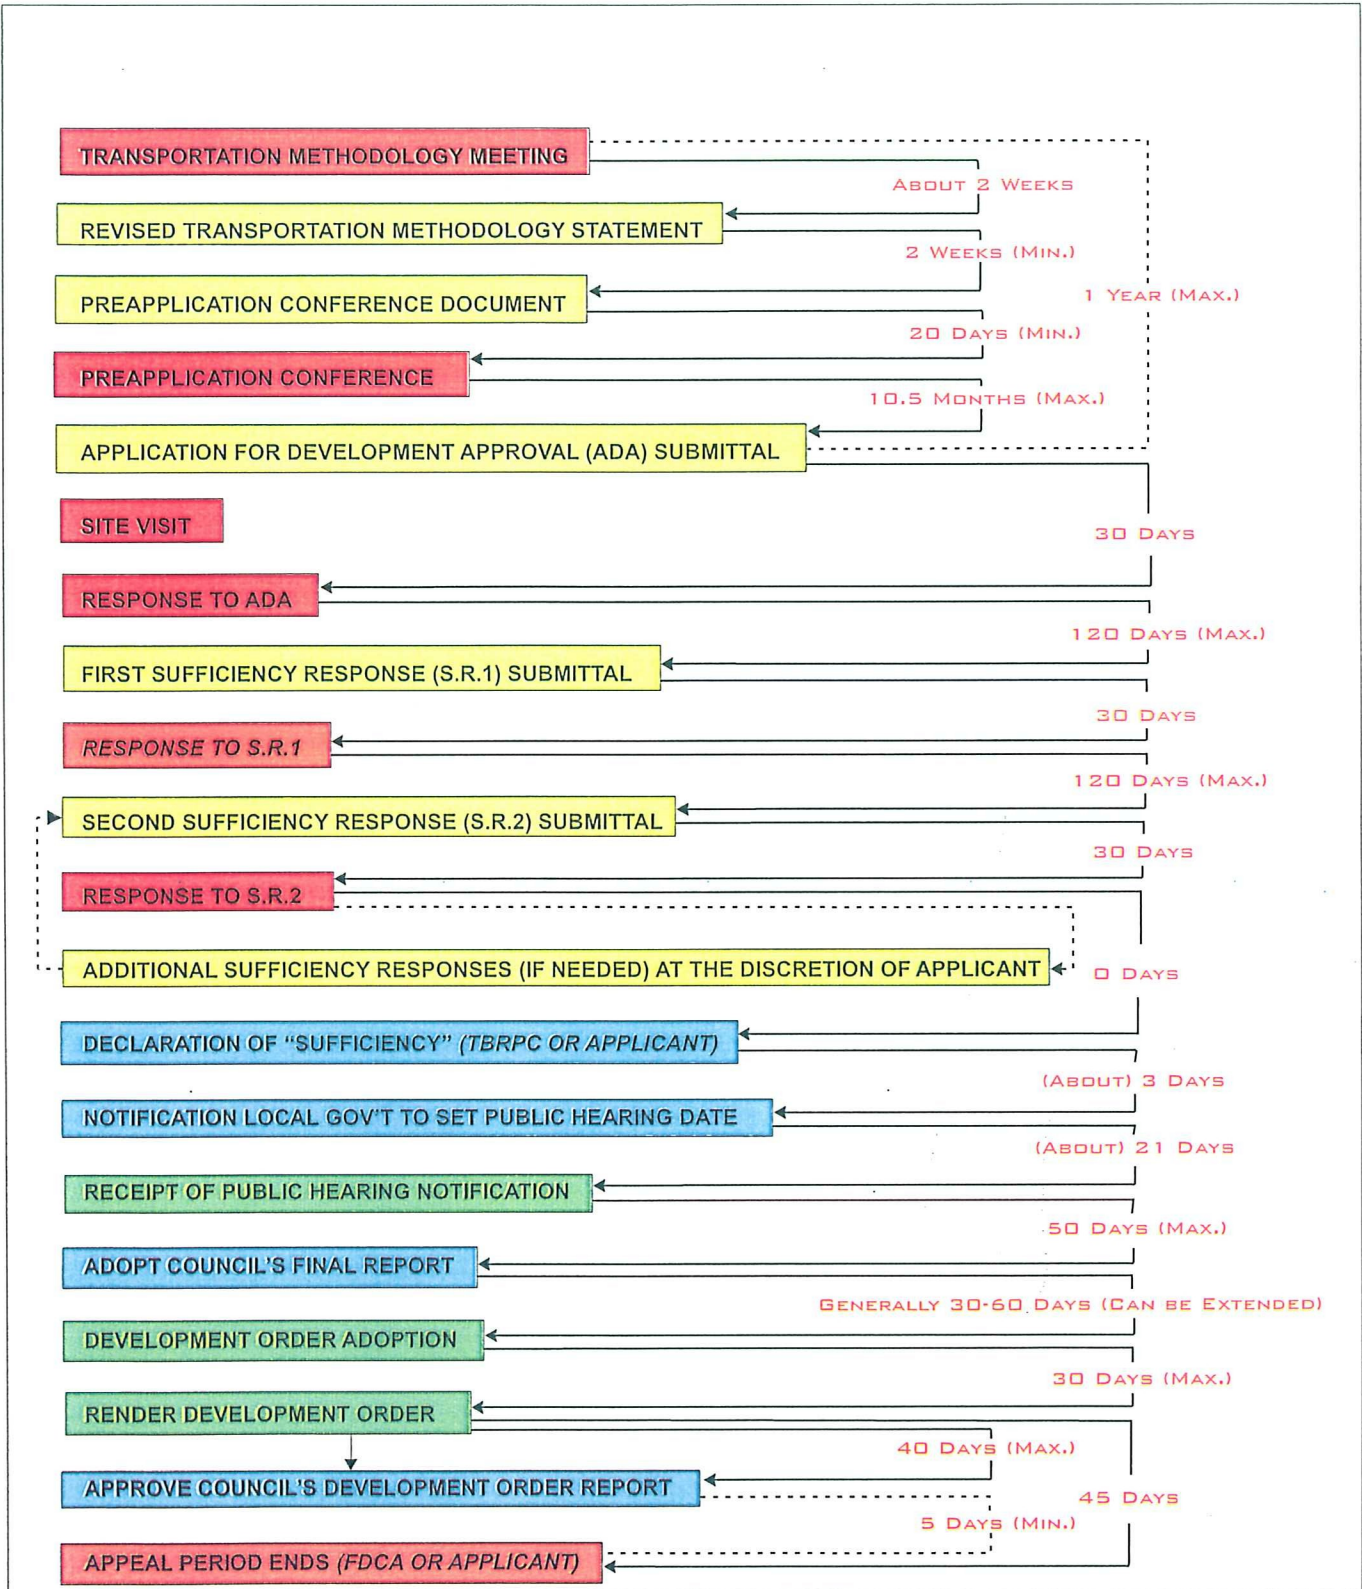

Additional Material: ARS Brochure
