As the Tampa Bay Regional Planning Council celebrates our 55th year in regional planning and the 26th Annual Future of the Region Awards Program, we would like to cordially invite you to be a part of this exciting event. This year's awards breakfast will be held on Friday, April 20, 2018, at the Hilton Carillon Park, St. Petersburg, Florida (Invitation to follow in February 2018).

The significance of innovative planning has never been more important. For the past Twenty-Six years the Future of the Region Awards Program has provided honor and recognition for notable achievement, both in the public and private sectors, for resource planning and management in the Tampa Bay region. We enthusiastically invite you to partner with the Tampa Bay Regional Planning Council as a sponsor for this prestigious awards program.

As a partner in understanding the importance of regional planning, as well as the importance of recognizing our local governments for innovative planning, the Tampa Bay Regional Planning Council would greatly appreciate your support.
