

Taking the Pain out of High Gasoline Prices

Tuesday, March 19, 2013

8:30 a.m. – 12:30 p.m.

Tampa Bay Regional Planning Council
4000 Gateway Centre Blvd., Pinellas Park, FL 33782

Directions [here](#)

Join the ***Tampa Bay Clean Cities Coalition*** for our gathering on March 19th to learn more about alternatives to \$4.00 per gallon gasoline – Vehicles scheduled for display include the all-electric; plug-in electric, CNG Powered light and medium duty vehicles, and heavy vehicles using electric power.

The morning program will focus on the progress and lessons learned in the electric transportation arena with speakers from the automotive manufacturers, utilities, charging station providers, and other experts. Learn about the cost of ownership of alternatively fueled vehicles, what is going on internationally, and the tools that are available to assess if an alternatively fueled vehicle is right for you or your company. (Agenda attached).
