Intergovernmental Coordination & Review Process

Footnotes:
1. Locally Significant projects are labeled “LOC”. This usually means that no further action is required other than notifying the permitting agency of the determination.
2. “RNR” is the designation for those projects determined to be Regionally Significant, but not requiring a review (i.e., Regional No Review).
3. Regionally Significant projects that will be fully reviewed by staff are labeled “REG”.

Project Notification Received

Evaluate Project’s Significance

If “LOC” (1)

If “RNR” (2)

If “REG” (3)
