Re: Port Tampa Bay DRI # 118, Annual Report

Dear Mr. Smith:

This letter serves to confirm my review of your letter and file associated with the above mentioned DRI. Based on my review, it is the opinion of the City of Tampa that Biennial Reporting, in accordance with section 380.06(18), Florida Statutes, would be the most appropriate action in the future. Please accept this letter as confirmation of your ability to submit a Biennial Report, in lieu of Annual Reporting, for any upcoming reporting year. Biennial Reports will now be due on July 1st of all even-numbered years.

If you have any questions or additional elaborations, I'd be happy to assist. I am also sending a copy of this letter to John Meyer of the Tampa Bay Regional Planning Council ("TBRPC") to confirm the above.

Very truly yours,

Susan Johnson
