

RESOLUTION

Upon motion by Commissioner Curry , seconded by Commissioner Lester , the following resolution was unanimously adopted:

WHEREAS, Eastern Seaboard Petroleum Company, Inc. has filed with the Board of County Commissioners of Hillsborough County, Florida, an application for development approval of a Development of Regional Impact submitted in accordance with Chapter 380, Florida Statutes (Hillsborough County Building and Zoning Department Petition No. 76-15-DRI).

WHEREAS, the Board of County Commissioners has received and considered the recommendations and reports of the Tampa Bay Regional Planning Council, the Hillsborough County Planning Commission, the Hillsborough County Environmental Protection Commission; and

WHEREAS, a public hearing was conducted at the Hillsborough County Courthouse on October 11, 1976, pursuant to Chapter 380, Florida Statutes, and the Hillsborough County Zoning Regulations; and,

WHEREAS, the Board of County Commissioners has reviewed the documents submitted by the applicant and has found the proposed development of applicant to be consistent with applicable state and local laws and regulations; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF HILLSBOROUGH COUNTY, FLORIDA, IN SPECIAL MEETING ASSEMBLED THIS 11TH DAY OF OCTOBER, 1976:

1. The Application for Development Approval of a Development of Regional Impact filed by applicant and the conditions, recommendations and resolutions of the Hillsborough County Planning Commission, Tampa Bay Regional Planning Council, and Hillsborough County Environmental Protection Commission are adopted and shall constitute the development order of this Board of County Commissioners issued in response to said application (Hillsborough County Building and Zoning Department Petition 76-15-DRI). The Development Order shall read as follows:

DEVELOPMENT ORDER

1. The definitions found in Chapter 380, Florida Statutes, shall control the construction of any so-defined terms appearing in this Development Order.

2. The operations to be permitted pursuant to this development order are those specified in the application for development approval as modified by the following conditions recommended by the Tampa Bay Regional Planning Council which are as follows:

(a) That the applicant ensure that appropriate erosion and runoff controls be employed during and after construction and that buffer zones be provided as discussed in the "Environment and Natural Resources" section of the report of the Tampa Bay Regional Planning Council.

(b) That work will be coordinated with the transportation departments as discussed in the Transportation section of the report of the Tampa Bay Regional Planning Council in a timely manner to ensure adequate transportation service in this area.

(c) That any significant deviation from the terms of this development order and the plans described in the DRI Application for Development Approval shall cause a termination in all development activity and a retriggering of the DRI process.

3. This development order shall not encompass any proposed development which constitutes a substantial deviation from the terms of this application. Any such proposed development which constitutes a substantial deviation shall be deemed to be a Development of Regional Impact and shall require the filing, review, and approval of a separate application for development approval pursuant to Chapter 380, Florida Statutes.
