On April 20, 2018, Hillsborough County rendered Resolution No. R18-032 to the Tampa Bay Regional Planning Council. The Resolution reflects an amendment adopted by the Hillsborough County Board of County Commissioners on April 10, 2018.

BACKGROUND

On December 14, 2006, the Hillsborough County Board of County Commissioners rendered to the Tampa Bay Regional Planning Council (TBRPC) Resolution No. R06-271, a Development Order adopted on December 5, 2006. The Development Order authorizes specific approval for this entire single-phase project. The project is situated on three non-contiguous parcels totaling 1,127± acres in eastern Hillsborough County with the majority of the project access provided from Fishhawk Boulevard, with minor access points on Boyette Road and Lithia Springs Road.

The Development Order has previously been amended on four occasions, most recently on December 12, 2017 (Resolution No. R17-163). The Amendments have cumulatively: decreased the overall residential units by 593 units (to 2,599) and the Single-Family component of project by the same 593 units; increased Retail uses located within the Town Center by 55,000 (to 205,000), while reducing the Retail uses located within the Village Center by 30,000 (to 5,000) [net increase of 25,000 sq. ft. of Retail]; increased Office uses located within the Town Center by 155,000 (to 255,000), while reducing the Office uses located within the Village Center by 20,000 (to 60,000) [net increase of 135,000 sq. ft. of Office]; added a 9.9-acre parcel at the northeast corner of Village Center Drive and Boyette Road; extended the project buildout and Development Order expiration dates; modified the required transportation improvements and timing thereof based on revised transportation analysis; established a Voluntary Workforce Housing Mitigation Program; expanded the South Parcel's Retail and Office acreages with corresponding reduction in Residential acreage; added three access points to the South Parcel's Town Center (two off FishHawk Blvd. and one off Boyette Road); modified the project's internal roadway network; modified the Town Center and Village Center boundaries to reflect recognized/proposed changes; modified wetland boundaries to reflect jurisdiction delineations; modified Preservation/Significant Habitat boundaries based on the approved Wildlife Habitat Management Plan; modified Elementary/Middle School and park boundaries to reflect conveyances to the School District of Hillsborough County and Hillsborough County government, respectively; modified the Master Development Plan to reflect the elimination of a Boyette Road access point in favor of an additional Fishhawk Boulevard access point; decreased the number of approved PM Peak Hour net external trips from 4,222 to 2,722; added Condominiums/Townhomes, Senior Housing Attached, Senior Housing Detached Residential Support uses (e.g. Day Care & Fitness), Private School and Adult Congregate Living Facility and Congregate Care Facility as potential land uses through the modified Land Use Equivalency Matrix while eliminating ability to increase the number of Single-Family attached units; recognized prior land use exchanges and a reduction of the required public park acreage from 20 to 17 acres; added Mini-Warehouse as a potential use of the project that could only be accommodated through

the Land Use Equivalency Matrix; changed the name of the Master Developer and authorized representatives (to NNP IV - Lake Hutto, LLC); extended the frequency of reporting to Biennial; and recognized modification to land use acreages as well as other Map and text to facilitate all the requested modifications recognized above. The buildout and Development Order expiration dates were subsequently extended by an additional period of one year and 120 days on account of the Governor's enactment of Executive Orders 12-140, 12-192, 12-217 & 12-199 and 447 more days due to the Governor's enactment of Executive Orders 15-158 & 15-173. The Development Order now expires on July 21, 2029.

DEVELOPMENT ORDER AMENDMENT

The Resolution authorized an amendment to the Development Order *"to amend Table B-1 to reflect the agreement between the Developer and the County for the County to assume responsibility for the construction of improvements to Bell Shoals Road and for the Developer to provide financial contributions and consulting service."*

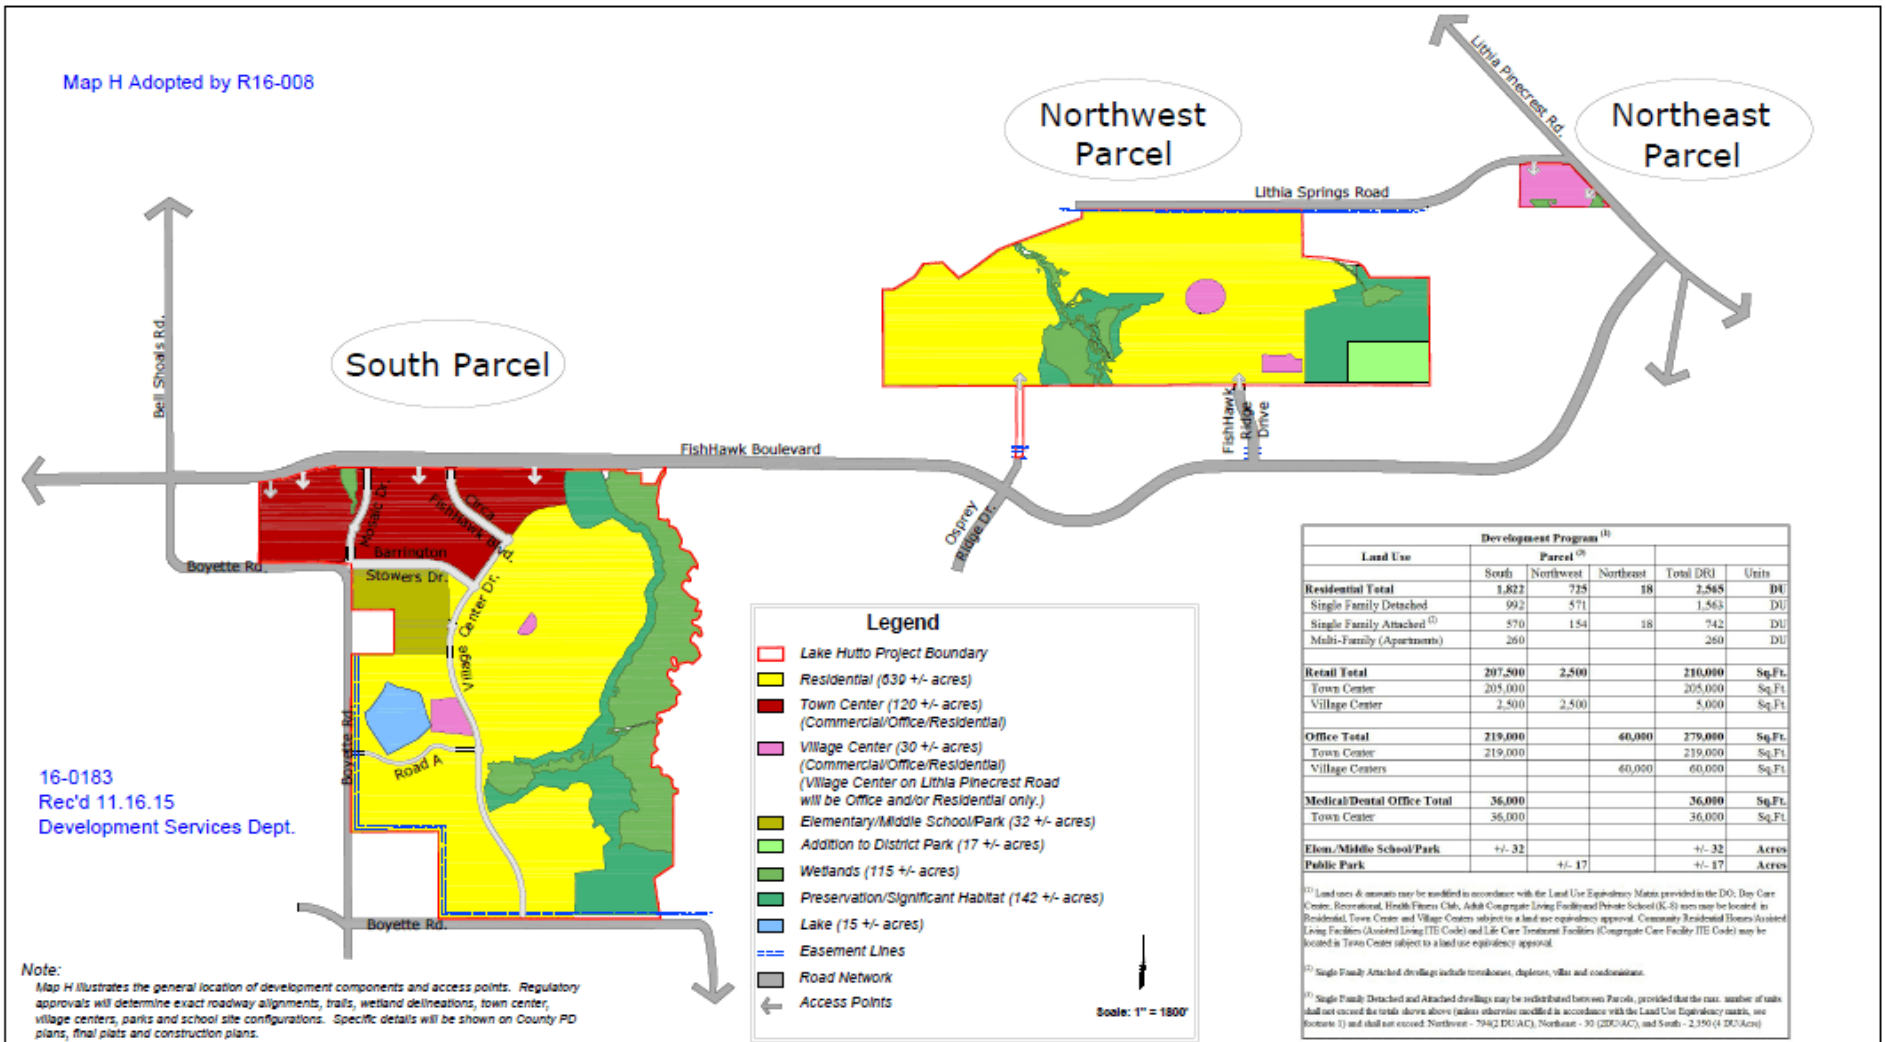

DISCUSSION

The aforementioned modifications to the Development Order were not processed through the typical Notice of Proposed Change process. Alternatively, by adopting the above-referenced Amendment, Hillsborough County had determined that *"the proposed change(s) is/are similar in nature, impact, or character to the changes enumerated in Subparagraphs 380.06(19)(e)2.a-j, F.S., and does not create the likelihood of any additional regional impact."* Subsequently, Hillsborough County administratively incorporated the modification into the Development Order.

FINDING

This Development Order Amendment Report has been prepared in accordance with provisions outlined in Section 380.07, F.S. By issuance of this Report, the Tampa Bay Regional Planning Council hereby finds that the referenced modifications do qualify as Section 380.06(19)(e)2., F.S. changes and, therefore, exempt from the Notice of Proposed Change process.
