**DRI #423 - ROCK CRUSHER ROAD  
CITRUS COUNTY  
RY 2017-18**

On July 26, 1994, the Citrus County Board of County Commissioners adopted Resolution No. 94-103 to effectuate a Development Order for the 1,497-acre, mixed-use, Rock Crusher Road DRI. The project is located along the northern side of C.R. 490 and south of S.R. 44, approximately 1.5 miles east of U.S. 19, in western Citrus County.

The Development Order has been amended only once, on January 29, 2004 (Resolution No. 2004-031). The Amendment authorized: four-year and 11 month extensions of the project buildout and Development Order expiration dates; modified the timing associated with payment of the Developer's pro-rata share of traffic signalization; and added eight acres to the project. Supplemental extensions were granted in accordance with 2007 legislation and 2011 legislation (i.e. HB 7207). A January 28, 2009 correspondence from the Citrus County Community Development Division Director essentially aligned the project buildout date with the Development Order expiration date and granted a three-year extension on account of 2007 revisions to Subsection 380.06(19)(c), F.S. A subsequent August 11, 2011 Citrus County correspondence, issued in regard to the passage of HB 7207 by the legislature in 2011, extended the project buildout and Development Order expiration dates by an additional four-year period. A supplemental Citrus County correspondence recognized further extensions of the project buildout and Development Order expiration dates on account of Executive Order Nos. 17-304, 18-17 & 18-80 issued by the Governor. These dates now lapse on May 26, 2019.

The following constitutes the approved project entitlements:

RESIDENTIAL (Units)	COMMERCIAL (Sq. Ft.)	OFFICE (Sq. Ft.)
1,552	110,000	36,080
