## JOINT MEETING AGENDA

August 10, 2017

9:00 AM

Tom Ash, ABM Natural Resources/Environmental Impact Review Committee Chair  
Kelli Hammer-Levy, TAC Co-Chair  
Tim MacDonald, TAC Co-Chair

### 1. CALL TO ORDER / WELCOME

### 2. PUBLIC COMMENT/ ANNOUNCEMENTS

3. **City of Tampa Comp Plan Map Amendment Request- proposed Rocky Point Fill project-** David Dickey. A private developer has proposed to partially fill a water lot basin on Rocky Point in Tampa and develop a condominium project. The applicant proposes to capture currently untreated stormwater in the area and direct it to an underground storage area. [More details.](#)

4. **Weedon Island Habitat Restoration Feasibility study-** Bruce Hasbrouck, *Faller, Davis & Associates, Inc.* Pinellas County is embarking on a feasibility study to identify future restoration opportunities within Weedon Island Preserve. They are in the beginning phase of the effort and want to solicit the group to ensure previously completed studies are incorporated.

5. **Improving Compensatory Mitigation in the Tampa Bay Watershed -** Aaron Brown, *University of South Florida.* The presentation will highlight freshwater wetland mitigation recommendations that were formulated as part of an EPA Region 4 Wetlands Program Development Grant conducted jointly by the USF and EPCHC. [More details.](#)

6. ***Pyrodinium bahamense* blooms in OTB -** Cary Lopez, *FWC.* Outcomes of recently completed TBERF project to characterize the seeding potential of *Pyrodinium bahamense* cyst beds in sediments of Tampa Bay and the role of resting cyst germination in the timing of blooms each year. [More details.](#)

7. **Ft. De Soto Seagrass Prop Scarring Update-** Kelli Levy, *Pinellas County.* A recent investigation into the levels of seagrass scarring due to boat propellers in Ft. De Soto will be presented.

### 8. Other Items

- Tom Ries/Ed Sherwood - Quick intro on the kick-off of the next Tampa Bay Habitat Master Plan Update
- Future Topics:
  - Mary Lusk (UF) - Emerging contaminants in reclaimed water
  - Renee Price/David Loy (Atkins), Ryan Moyer/Kara Radabaugh (FWCC) - Outcomes of the Critical Coastal Habitat Assessment Baseline Monitoring Events

### 9. ADJOURN

If you are a person with a disability who needs any accommodation in order to participate in this meeting, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the Tampa Bay Regional Planning Council at (727) 570-5151 Ext. 17 within three working days of the meeting.
