Honoring Notable Achievement in Regional Planning

SPONSORSHIP OPPORTUNITIES

As the Tampa Bay Regional Planning Council celebrates our 55th year in regional planning and the 27th Annual Future of the Region Awards Program, we would like to cordially invite you to be a part of this exciting event.

The significance of innovative planning has never been more important. For the past 27 years, the Future of the Region Awards Program has provided honor and recognition for notable achievement, both in the public and private sectors, for resource planning and management in the Tampa Bay region.

We enthusiastically invite you to partner with the Tampa Bay Regional Planning Council as a sponsor for this prestigious awards program. As a partner in understanding the importance of regional planning, as well as the importance of recognizing our local governments for innovative planning, the Tampa Bay Regional Planning Council would greatly appreciate your support.

With your sponsorship, we welcome the opportunity to highlight your organization at the 27th Annual Future of the Region Awards Program. If you would like to participate in this year's event, please return the enclosed form.

Respectfully yours,

Sean T. Sullivan, Executive Director
