Using Your County Map

1. Locate where you live on the map.
2. Determine whether you are in an evacuation area or in a non-evacuation area.
3. If you are in an evacuation area, look in a readable font for:
   - Location of your nearest evacuation center
   - Location of your nearest shelter for pets

Shelters with ADA-accessible facilities are marked with "ADA.

Hurricane Threat

- The tornado warning is in effect until 8 p.m. on Sunday, September 2, 2023. If you are in a known tornado-prone area, please be prepared to seek shelter.
- Make sure you have a plan and supplies ready. Get a list of emergency contacts, supplies, and medications for family members or pets. Stay informed by listening to radio or TV for updates.
- Regular weather updates and information about potential hazards will be provided. Please stay alert and be prepared.

Transportation Information

- Non-essential travel is discouraged, especially during peak traffic hours.
- Use local public transportation or carpooling to reduce traffic congestion.
- Avoid driving through low-lying areas or flooded roads.
- Be prepared for potential delays or closures.

Shelter Information

- Shelters are available for pets and their owners.
- Pets must be on a leash or in a carrier. Provide a crate large enough for the pet to stand up and turn around. Cats need a crate large enough to contain them.
- Bring all pet supplies to include: crate, food, water, litter, treats, cleaning supplies, medicines, etc.
- Your shelter-in-place location should contain enough non-perishable food to last 72 hours.
- If you need to evacuate, ensure your pets are not overcrowded in the shelters.

Important Contact Information

- For shelters, contact the Hillsborough Humane Society at 813-272-5900 or visit their website at hhs.org.
- For evacuation, contact the Hillsborough County Customer Service Call Center at 813-272-5900.
- For more information, visit Hillsborough County’s website at hccfl.gov.
