

Dear Regional Partner:

Like you, TBRPC is monitoring the news and public health recommendations about COVID-19. We are doing everything we can to minimize disruptions to our work, while prioritizing the health and safety of our staff and partners. TBRPC staff are working from home for the time being, and will remain available via email, phone, and virtual meetings.

As a regional convener, we understand the importance of collaborating with one another and continuing to move our work forward. TBRPC's meetings in March are postponed or offered virtually. The April Council Meeting and Future of the Region award ceremony have been postponed. Please check TBRPC's [calendar](#) to access agendas and links to join the virtual meetings.

As always, the [TBRPC website](#) offers a wealth of data, products, and planning resources that can be accessed anywhere and anytime. You can also connect with us on social media: [Facebook](#), [Twitter](#), and [LinkedIn](#).

Thank you for your understanding as we maneuver through this international health crisis in a way that ensures the safety and well-being of our staff and partner organizations. We will continue to monitor the situation, adjust accordingly, and update you on any changes to our business operations. Should you have any questions, please feel free to reach out to [staff directly](#), call (727) 570 5151 or [email TBRPC](#).
