**TBRPC Efforts**

- On January 11\textsuperscript{th} and 12\textsuperscript{th} I attended the Florida Regional Council’s Association meetings along with Vice Chair Kitchen and past FRCA President Barbara Sheen Todd. The Policy Board is chaired by County Commissioner Roxanne Horvath from St. Augustine. Several partner presentations were made including the Florida Chamber Foundation, Florida Association of Counties and Florida League of Cities. TBRPC was well represented by Commissioner Kitchen who introduced me to the Florida House Speaker where I seized the opportunity to briefly discuss the work of the Council.

- On January 26\textsuperscript{th} Wren and Brian met with Citrus County Chamber of Commerce officials to conduct outreach for an economic recovery forum scheduled for February 16\textsuperscript{th} that TBRPC is sponsoring in partnership with the Federal Economic Development Administration, State Department of Economic Opportunity and International Economic Development Council.

- Staff has submitted a number of grant applications and or proposals to public and private entities for environmental, economic, GIS and public health studies. We remain optimistic that our expertise in these fields will lead to additional funding opportunities.

- On January 27\textsuperscript{th} I attended the Regional MPO Best Practice Study workgroup meeting. This is the third meeting of the workgroup and a final product is scheduled to be delivered to TBARTA by year’s end.

- On January 19\textsuperscript{th} I attended the Tampa Bay Area Transportation Management Area Leadership Group meeting at PSTA to discuss release of the Regional Transit Feasibility Plan that you heard about earlier in the agenda.

- On January 22\textsuperscript{nd} Randy and I met with Pasco EDC CEO Bill Cronin and his staff to discuss the economic impact analysis program that TBRPC has to offer. Additionally we met with Duane Chichester the Government Affairs Director of the Greater Hernando Chamber of Commerce to discuss TBRPC’s programs and we agreed to moderate a business development meeting in Hernando County on February 9\textsuperscript{th}. Randy and Brian will be participating in this event.

- On January 24\textsuperscript{th} Brady and I met with Hillsborough MPO officials to discuss TBRPC’s participation in a grant application to USDOT for a Pilot project for transportation resilience. TBRPC is partnering with Hillsborough County to compile data for this competitive grant application. We worked with Senator Nelson’s staff and were able to secure a letter of support for Hillsborough’s grant request to USDOT (FHWA).
• On January 23rd we hosted the quarterly stormwater management meeting with our partner, Florida Department of Transportation. This committee promotes educational awareness of the importance of stormwater management.

• TBRPC received an inquiry from the City of Crystal River in Citrus County about potential membership on the Council and we have supplied information to the City for their consideration.

• On January 30, 2018 in partnership with the U.S. Census Bureau, we hosted a workshop with 75 attendees representing numerous member governments throughout the Tampa Bay region. The workshop’s focus was to prepare County and City governments with preparation for the 2020 Decennial Census program known as the Local Update of Census Addresses.

• Last week attended the Florida Chapter of the American Planning Association policy workshop in Tallahassee. While in the State Capitol I also attended meetings of the Florida Regional Council’s Association.
