October 20, 2017 – 10:00am

AECOM 7th Floor Conference Room (new room)
7650 W. Courtney Campbell Causeway, Tampa, Florida

1. Welcome and Introductions
2. Public Comments
3. June 21, 2017 Meeting minutes approved
4. Old Business
 - a. Tampa amenities update: Should be finished by the end of October. We should send thank you letters to Tampa and Hillsborough County for funding
 - b. Westshore Alliance –Transportation committee delayed with storm
5. New Business
 - a. Streetlight retrofitting- *Chad Stewart FDOT*. 20 intersections with high pedestrian incidents will be retrofitted. LED lights will be retrofitted in these intersections and will be more cost effective to power and illuminate intersections more effectively. Fatal vehicle/pedestrian accidents occur more frequently at night. \$50K to retrofit each intersection, work is done around existing conditions (no new ROW). Giraffe poles are utilized to put in new light poles to avoid conflicts with other utilities.

- b. Storm related impacts
 - i. Some Australian pines were removed due to storm damage, accomplishing part of our goal of removing these non-native trees.
- c. Other new business
 - i. City of Clearwater is working on adding amenities for the western portion of the Courtney Campbell trail. Amenities design is underway, with a meeting this week. The vendors used on the eastern portion of the Trail have been shared.
 - ii. Former DOT building will soon be staffed by the Clearwater Chamber of Commerce. Other space in the building will be leased. Expect to execute leasing agreement within a couple of months.
- d. Annual workplan was updated by the group. The draft will be circulated and is due November 14th.

6. Next Meeting will be January 19, 2018 at 10:00 am at AECOM
