2. **PUBLIC COMMENT**
3. **ANNOUNCEMENTS**
4. **APPROVAL OF September 10, 2020 FULL AGENCY MEETING SUMMARY**
5. **Piney Point Reservoir – John Coates and Vish Sathe, FDEP**

John and Vish, with the FDEP Division of Water and Resource Management will provide an update on the proposed actions to avoid spill impacts related to the Piney Point reservoir located in Manatee County.

6. **Habitat Master Plan Update and Oyster Habitat Sustainability Index– Gary Raulerson, Ph.D., TBEP**

Gary Raulerson will provide an overview of the HMPU and Oyster Habitat Sustainability Index. The Tampa Bay Estuary Program (TBEP) and its partners finalized the 2020 Tampa Bay Habitat Master Plan Update (HMPU) in August. As part of this update the TBEP has established a target of 50 acres of oyster reef restoration in the next 10 years. The HSI combines multiple data layers that are recognized as important factors to enhance or preclude oyster restoration success and creates a mapped scoring system that indicates more probable locations.

7. **Urban Stream Restoration – John Kiefer, Wood Group PLC**

Stream restoration is a powerful means for installing an urban ecology in our towns in cities to increase community resiliency and standard of living. Dr. Kiefer will illustrate the needs and benefits of this approach to stormwater drainage improvements with Florida case studies from Pensacola, Jacksonville, Starke, and Sarasota County.

If you are a person with a disability who needs any accommodation in order to participate in this meeting, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the Tampa Bay Regional Planning Council at (727) 570-5151 Ext. 10 within three working days of the meeting.

8. Douglas-Hackworth Property – *Jean Charles, Suncoast Sierra Club*

Pinellas Community Foundation, in partnership with Pinellas County, the City of Dunedin, and the Sierra Club have started a capital giving campaign to raise funds for the acquisition of the Douglas-Hackworth property.
