5,000 Square Miles
3.4 Million People
FLORIDA’S ONLY...

The Regional Planning Council is recognized as Florida’s only multipurpose regional entity that is in a position to plan for and coordinate intergovernmental solutions to growth-related problems on greater-than-local issues, provide technical assistance to local governments, and meet other needs of communities in each region.

Florida Statutes 186.502(4)1
FRCA is a statewide organization of the 10 regional planning councils. FRCA strengthens Florida’s RPCs, partners with government and the business community to enhance regional economic prosperity.

Welcome to the Florida Coastal Resiliency Portal!

This website is a continually updated compilation of projects, resources, and important dates relating to coastal resiliency in the state of Florida.

Florida has approximately 1,350 miles of ocean coastline and 33 counties are located along the Gulf of Mexico and the Atlantic Ocean.

These counties represent 9 of the 10 Regional Planning Councils in the state of Florida. They are depicted in the map below.
