MISSION STATEMENT

To serve our citizens and member governments by providing a forum to foster communication, coordination, and collaboration in identifying and addressing needs regionally.
Convening the Region for 59 Years

- Promote Regional Leadership
- Economic Development
- Resiliency Planning
- Environmental Stewardship
2020 Slate of Officers

Councilman Patrick Roff
CHAIR

In Memory of
Councilor Bob Matthews
VICE CHAIR

Commissioner Jack Mariano
SECRETARY / TREASURER
Who We Serve

- 6 Counties
- 21 Municipalities
- 13 Gubernatorial Appointees
- 3 Ex-Officios
The Region of Tampa Bay Florida

- 5,000 square miles
- 3.6 million residents
- Accounts for 18% of Florida’s GDP
- 17th largest metro economy in the U.S. ($157 Billion)
- Dense coastal development
- Rich coastal resources
History making Tampa Bay:

- Oldest Quarterback with 40+ TDs
- First Franchise to Win their own Superbowl Venue
- Oldest Coach to win Superbowl
- Quarterback Superbowl starts: 10
Florida’s First...

The Regional Planning Council is recognized as Florida’s **only multipurpose regional entity** that is in a position to plan for and coordinate intergovernmental solutions to growth-related problems on greater-than-local issues, provide technical assistance to local governments, and meet other needs of communities in each region.

*Florida Statutes 186.502(4)1*
FRCA is a statewide organization of the 10 regional planning councils. FRCA strengthens Florida’s RPCs, partners with government and the business community to enhance regional economic prosperity.
Economic Development

- Economic Development District
- Comprehensive Economic Development Strategy (CEDS)
- Economic Analysis (REMI)
- CARES Act Projects
What if a Category 5 hurricane struck the Tampa Bay region?
A Hurricane Simulation for Tampa Bay Small Businesses & Emergency Management Agencies

In coordination with emergency management agencies from throughout the 6-county Tampa Bay region.
Tabletop Exercise for a range of emergency preparedness and economic recovery topics:

- **Module 1 – One Day Later:** Immediate impacts and damage assessments

Janet C. Long
2020 Coalition Chair,
Pinellas County Commissioner
The first Leadership Summit attracted more than 350 attendees
- Featured panels with Mayors, County Administrators, leading experts
- Breakout session defined Regional Resilience Action Plan priorities
- Robust sponsor support
REGIONAL RESILIENCY ACTION PLAN (RRAP)

Three-year grant from the Environmental Protection Agency is supporting:
- ongoing engagement;
- development of a new report on extreme heat
- development of the Regional Resilience Action Plan.

Plan Progress:
Meetings with Coalition Members to develop outline and timeline

Workshops with Members and stakeholders to develop
- Chapter 1 on Risks and Future Conditions
- Chapter 2 on Community Vulnerability
- Define priorities for integrating equity metrics and goals

In 2020, TBRPC staff met with 27 local governments through in-person meetings, online meetings and provided updates through periodic newsletters.

Clear Sky Tampa Bay: A Regional Framework for Enhancing Resilience through Solar and Storage

- TBRPC was awarded a $125,000 grant from the National Renewable Energy Laboratory to participate in the 2020-2021 Solar Energy Innovation Network program.

- The project will result in a Resilience-Based Siting and Valuation Toolkit for Solar + Storage and four case studies from local governments.

- The toolkit is designed for use by critical facility managers, local, county and state government, and energy sector partners to assist in the deployment of solar + storage to ensure continuation of emergency services during a power outage.

- TBRPC is partnered with Hillsborough, Pinellas, Manatee, Largo, the University of South Florida, Converge Strategies, LLC, and Solar Energy Management, LLC.
Community Vulnerability Assessment Methodology and User Guide (USF FCCDR)

Housing & Resilience Plan Self-Assessment: Checklist and Webinars (FHC)

Housing Flood Risk Mapper (UF Shimberg)
NAS Fellow Simone Chapman has a M.S. in Natural Resources from the University of New Hampshire with focus on environmental justice, GIS and sustainability. Simone is working on the REACH project and the Regional Action Plan, and developing resources to support the integration of racial and social equity principles into resilience planning.

In 2020, the TBRPC became a host office for the prestigious National Academies of Sciences, Engineering, Medicine Gulf Research Program Science Policy Fellowship.
