

1. **The proposal outline is divided into several sections, for which we would like to create divider pages. Would section divider pages be excluded from the total page counts as listed per section?**

Section divider pages will be excluded from the total page counts as listed per section.

2. **The bottom of the form CONTRACTOR/CONSULTANT/VENDOR E-VERIFY AFFIDAVIT states "Notary Public of the State of Florida" where the notary would sign. For submitters who are based outside of Florida, is it possible to use a public notary licensed in another state? The other form that requires notarization, "Authorized Signatures," does not state "Notary Public of the State of Florida."**

It is permissible to use a Notary Public based outside of Florida.
