PARTNERSHIPS

THE TAMPA BAY REGIONAL PLANNING COUNCIL

- The TBRPC has completed COVID-19 Impact Reports in partnership with Emerald Coast, Apalachee, North Central Florida, Northeast Florida, Treasure Coast, Central Florida, and South Florida Regional Planning Councils.
- The COVID-19 reports look at pandemic-related impacts on employment, mobility, and sales taxes.
- The COVID-19 reports found that increased vaccinations and reduced social restrictions will increase employment and sales in Florida.

PARTNERSHIPS

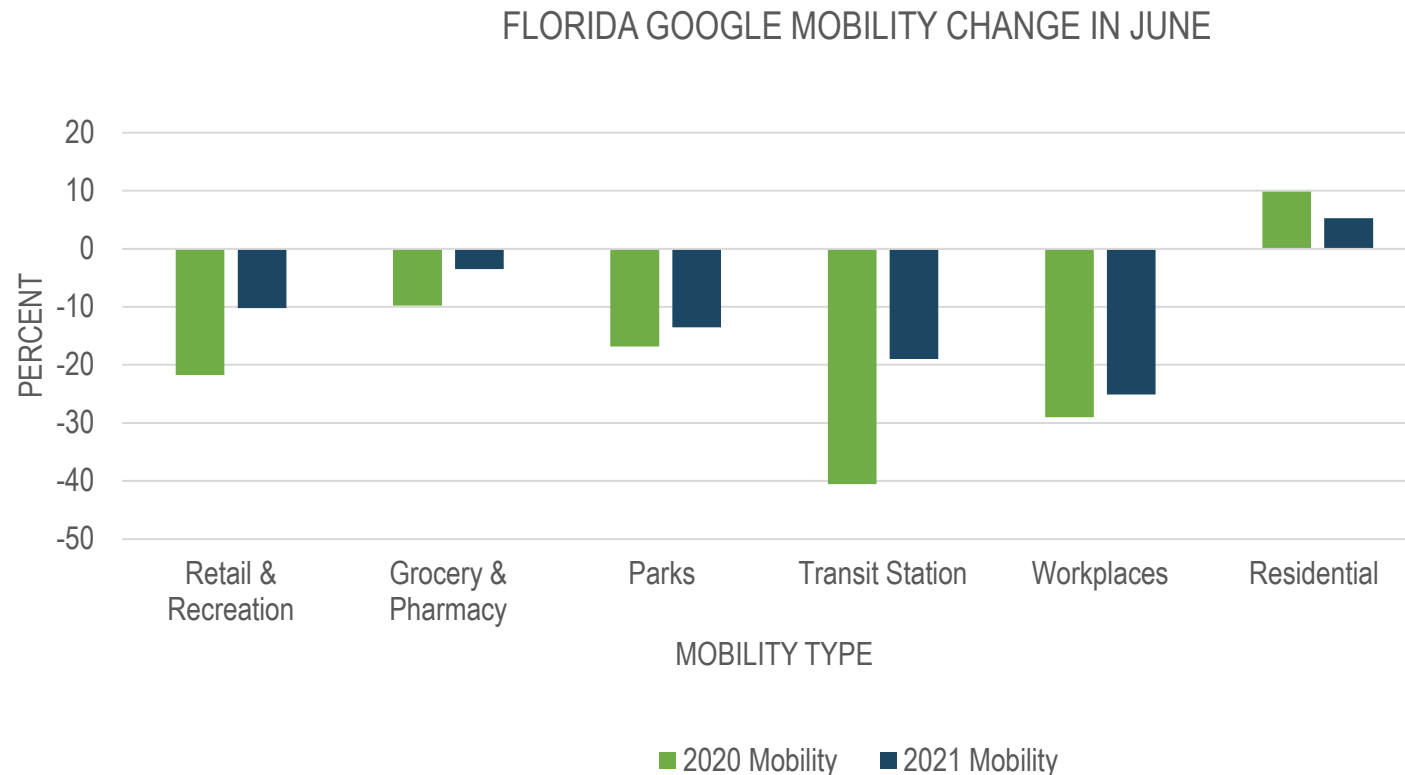

THE TAMPA BAY REGIONAL PLANNING COUNCIL

- Increased employment will increase disposable income and therefore increase spending.
- The compounded economic impacts from increased employment and consumption will help Florida recover from COVID-19.
- Increasing COVID-19 cases could impact regional recovery.
